

Harvest Christian Fellowship
Food Distribution Center
17108 Hanson Drive
Eagle River, Alaska 99577

We are a TEFAP (USDA) food distribution center supplied by the Anchorage Food Bank. We serve Alaskans by providing canned, frozen, and dried food items that are from the US Department of Agriculture. If you are struggling and need assistance with food, please stop by and let us help you.

Some of the items we distribute include frozen chicken, pork, and fish, canned beans, vegetables, spaghetti sauce, soups, and fruit. We also supply dry goods such as spaghetti, dry milk, breakfast cereal, fruit, and nuts. Our supply varies and depends on what is available from Anchorage Food Bank.

1. Once you arrive at Harvest Christian Fellowship, call the number (907-694-9395) on the sign outside the door.
2. **If it is your first time, you will need to complete a registration form.** The State of Alaska accepts **self-declaration** as a means of documenting eligibility. No other documentation is needed to meet TEFAP requirements. Persons receiving USDA food products from a food pantry must submit a TEFAP household application to attest that they meet the income eligibility guidelines. The only other allowable factor of eligibility is residency in the State of Alaska. **Signing the TEFAP household application places responsibility on the recipient for their own eligibility.**
3. Our staff will bring your food to the table for you to load into your vehicle.
4. You may receive food once a month.

Applicants currently receiving benefits from the following programs are automatically eligible to receive TEFAP benefits; SNAP, TANF, SSI, CSFP, FDPIR. The chart below shows current income guidelines for TEFAP.

Please note that these guidelines can change annually. FBA will distribute new guidelines as they become available.
